ABOUT NVDS

Northern Virginia Dental Society

The Northern Virginia Dental Society (NVDS) was established in 1931 and boasts a membership of approximately 1,300 local dentists, encompassing both general practitioners and specialists, and serving communities in Arlington, Fairfax, Loudoun, Fauquier, Prince William, Stafford, Rappahannock, Culpeper, Madison, Orange, Greene, Spotsylvania, and neighboring cities.

NVDS is the largest component of the Virginia Dental Association (VDA) and larger than 22 state components in the American Dental Association (ADA).

The Society also seeks to safeguard the interests and well-being of the public. NVDS Standards for Advertisements

- All advertising submitted is subject to review and, where needed, editing.
- Advertising must not be deceptive or misleading.
- Further information may be requested from advertisers.
- Advertising deemed to be in conflict with the ADA Principles of Ethics and Professional Code <https://www.ada.org/about/principles/code-of-ethics> of conduct will not be accepted; also, advertisements found to be offensive, discriminatory, promoting bigotry, or engaging in personal attacks will be refused. Any product, service, or company involved in regulatory proceedings or litigation may be declined.
- Advertisers must guarantee that all products meet applicable state of Virginia and Federal regulatory requirements. Appearance in NVDS publications or online does not imply that these products and services, do, in fact, meet these requirements. It is the advertiser's responsibility to comply with state and Federal regulations.
- Advertisements may reference scientific literature if such references are truthful and accurate. The NVDS may request further documentation if needed.
- Paid political advertisements for candidates for public office will not be accepted. This is not intended, in any way, to prohibit or discourage individuals from seeking office in their local government, ADA, VDA, or component societies.
- Advertisements for tobacco and cannabis products and alcoholic beverages will not be accepted.
- Educational courses may be advertised if the requirements of the ADA Continuing Education Recognition Program (CERP) and AGD PACE are met. Also, courses sponsored by state or component dental societies meeting the requirements of the Academy of General Dentistry for recognition may be advertised. Courses sponsored by commercial entities will be considered for publication on an individual basis.
- The words "Paid Advertisement" must appear in any advertising simulating editorial content.
- Testimonial advertising and quotes must be truthful, accurate, and placed only with the written consent of the individual, agency, or organization quoted.
- NVDS will not accept advertisements that contain dentist(s) names as endorsements.

Member Discounts

Exclusive Savings for NVDS Members

Deliver Measurable Member Value to NVDS Member Dentists!

Position your company as a trusted resource for more than 1,300 Northern Virginia Dental Society member dentists through the NVDS Member Discounts Program. This opportunity allows participating companies to offer exclusive savings or preferred pricing on products and services relevant to dental professionals, while gaining ongoing visibility through NVDS promotional channels. The Member Discounts Program reflects NVDS's continued commitment to enhancing membership value and expanding practical resources for our dental community.

This program is well suited for companies offering practice consulting, legal or financial services, insurance, technology solutions, equipment, supplies, marketing services, staffing support, wellness services, and other items relevant to dentists. Contact Lross@nvds.org.

Program Highlights

- Opportunity to promote an exclusive offer to NVDS members
- Direct exposure to dentists across all career stages
- Flexible participation for a wide range of products and services

Vendor Requirements

To maintain the integrity and value of the program, participating vendors must:

- Offer a discount or preferred pricing exclusive to NVDS members
- Provide pricing that exceeds publicly available offers to non-member dentists in Virginia
- Offer a minimum discount of 10%, unless otherwise approved by NVDS
- Honor the discount for eligible existing clients at renewal or next order, when applicable
- Verify NVDS membership before applying member pricing
- Provide promotional materials and program details for NVDS marketing use
- Refrain from implying endorsement by NVDS

Review Process

Although NVDS does not endorse any company, including Member Discount providers, participation is by approval only. As this is a pilot program, NVDS reserves the right to limit participation and decline applications. The review process is done quarterly and a separate agreement is required for approved providers. Contact Lross@nvds.org to learn more.
